*Hello Friends,*

May is bursting with color, and we're feeling so inspired! As we look ahead to June, yes, June is already on our minds, we have an exciting lineup of bold and fun classes and workshops coming your way!

### **Paint Your Pet**

One of the most favorited class is still available each month. We will pre-sketch your pet for you (dog, cat, goat, horse, bunny, etc.) Your canvas will be ready when you arrive, along with a printed color reference photo and all the supplies you need!

### **Dots with Lina - New Bases!**

Lina is keeping it fresh with new mediums to dot! We have TWO classes with Lina. The first class in June is with wooden rounds and smooth river stones. Then she brings a bolder look for the next class with a charred ash wood tealight holder.

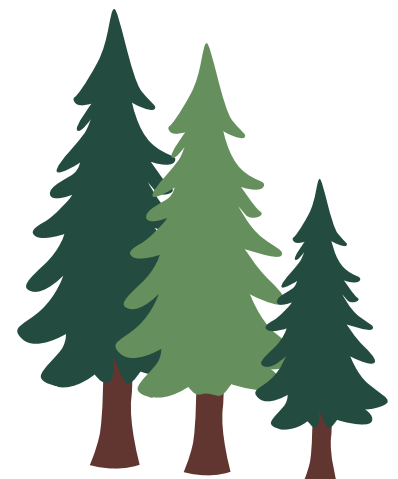

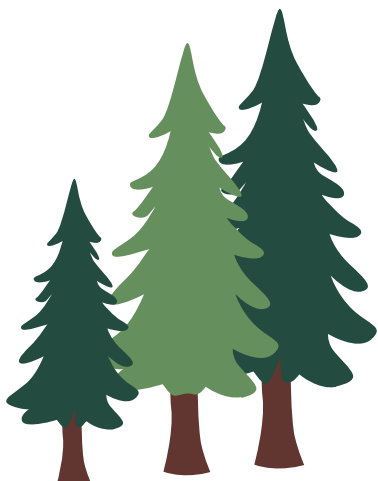

### **Mini June Paint & Sip- Snake Plant & Papaya**

We're continuing the collection with two 8x8 canvases, painted in tandem and designed to live together. This month features a bold snake plant and a vibrant papaya. Bright, fresh, and full of life.

## **NEW IN THE DESTINATION SERIES! JUNE DESTINATION: REDWOODS**

**And let's not forget our artist spotlight!**

## ARTIST SPOTLIGHT: KRISTIN HILL

Kristin Hill created Floradee, a line of beautifully scented candles made with 100% plant-based soybean wax. Floradee blossomed from Kristin's desire to nurture her creativity while raising her son. She is committed to quality, crafting blends infused with safe, clean, non-toxic oils and paired with cotton wicks for a clean burn. Each scent is thoughtfully designed to evoke a mood whether it's the bright freshness of Capri, the luscious aroma of Coconut Milk and Mango, or the earthy notes of Garden Mint.

Her candles have become so beloved that she now hosts candle-pouring classes at our studio. A chance to create a scent perfect for your home.

Also, we still have our Teen Hangout available for our youth to have a safe place to chill and create. Each month on a Friday we welcome ages 12-16 for a night out just for them! A great way for parents to have date night (hint, hint)

However, **Studio 3:30 classes are on pause for Summer Camp during June and July,** and will be back on the **schedule starting August.**

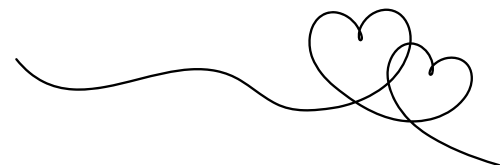

*The shop is STILL growing...*
